• Introduction

Have you realised your dream?

You started this business with a long-standing dream of achieving something.

Many organisations find it difficult to cross their 10th anniversary - more than 50% never see their 6th.

Sometimes just running an organisation becomes a Herculean task. In reality, it becomes so difficult

to realise that we had a dream.

We have lost a cheering, charming and courageous Leader - within us.

Come, let us rediscover the Leader within every business owner - who is longing to reach unreachable stars. The Leader within you will take the organisation to new heights, make it prosperous and perpetual.

• Who Should Attend

- This program is designed exclusively for Entrepreneurs and Decision-makers in small / family business.
- Commitment to dedicate 2 hours exclusively for online sessions every week with a laptop with video on is essential.

If you are an entrepreneur with

- Authority to take strategic decisions
- Min 3 years into existing business
- An annual TO of min 5 Cr
- A team size of min 15
- Desire to grow multi-folds
- Ability to invest few hours every wk.

Then this course is for you!

• Benefits

Connect with your purpose and find a balance between business and personal accomplishments

Find your Joy in what you do - Know your leadership style and learn to play within your strength

Get your organisation Organised - Understand the key pillars.

Redefine the business model and

become customer centric organisation
